## 1 Android Device Requirement

Mandala Star application can only be operated with **Android mobile phone or tablet.**

### Minimum requirement:

**Operating System:** Android OS  
**Android version:** Android 8.0 or higher  
**Others:** with Bluetooth and WIFI function

## 2 Mobile Application End-User License Agreement

Please read this Mobile Application End-User License Agreement (“EULA”) carefully before downloading or using the Mandala Star App mobile application (“the application”). This EULA governs your use of the application, which will allow you to access Light Mandalas library and control Light Mandalas tools by your mobile device. Your use of the application indicates your consent to this EULA.

1. **License.** Light Mandalas Co., Ltd. grants you a revocable, non-exclusive, non-transferable, limited license to download, install, and use the application for your personal and internal business purposes strictly in accordance with this EULA

2. **Your Account.** Your use of the application requires that you have an account with Light Mandalas.

3. **Changes to this EULA.** Light Mandalas reserves the right to modify this EULA. Your continued use of the application after Light Mandalas publishes notice of changes to this EULA indicates your consent to the updated terms.

4. **No Included Maintenance and Support.** Light Mandalas may deploy changes, updates, or enhancements to the application at any time. Light Mandalas may provide maintenance and support for the application, but has no obligation whatsoever to furnish such services to you and may terminate such services at any time without notice. You acknowledge that Google has an obligation to furnish any maintenance and/or support services in connection with the application.

5. **Acceptable Use.** You agree that you will not use or encourage others to use the application in a way that could harm or impair others’ use of the Mobile App.

6. **Privacy.** Light Mandalas don’t collect your information from your application. Information inside the application will be private.

7. **No Warranty.** Your use of the application is at your sole risk. The application is provided on an “As Is” and “As Available” basis. Light Mandalas expressly disclaims all warranties of any kind.

8. **Suspension and Termination of the application.** Light Mandalas reserves the right to suspend or terminate your access to the application at any time.

9. **Intellectual Property Rights.** In the event of a third party claim that the application, or your possession and use of the application, infringes third party’s intellectual property rights, Light Mandalas, will be solely responsible for the investigation, defense, settlement and discharge of any such intellectual property infringement claim.

If the activation code is already used to activate 5 different tablets, and user wish to use the activation code on 6<sup>th</sup> tablet (e.g. change tablet), user has to release the activation code from either one of the previous activated tablet first.

## 6 Mandala Dynamic Scan

Tap on the **Mandala Dynamic Scan** icon in the **Mandala Star Application Main Page** then you will go to **Mandala Dynamic Scan Home Page**.

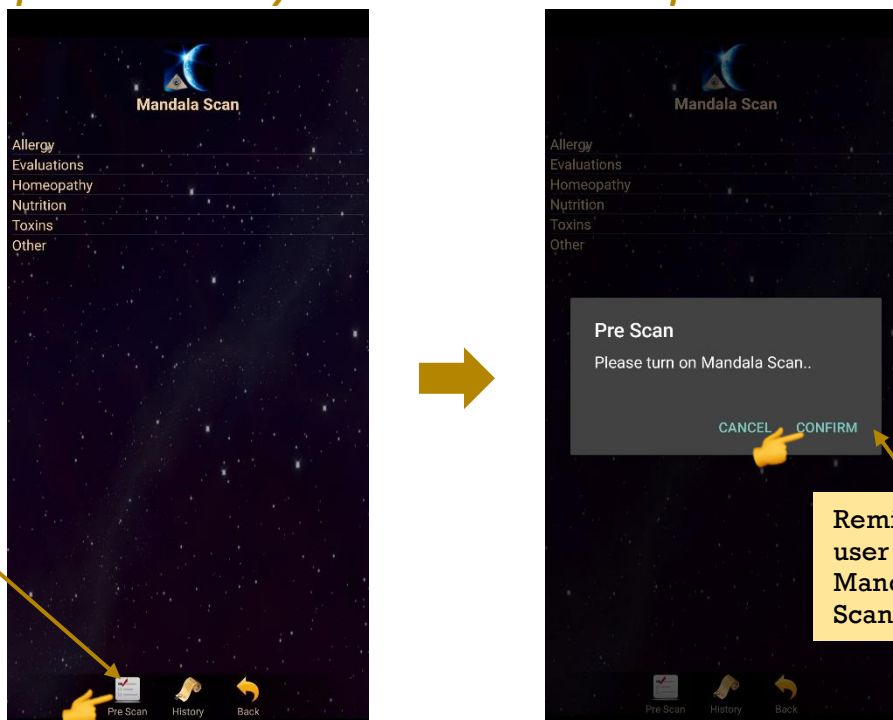

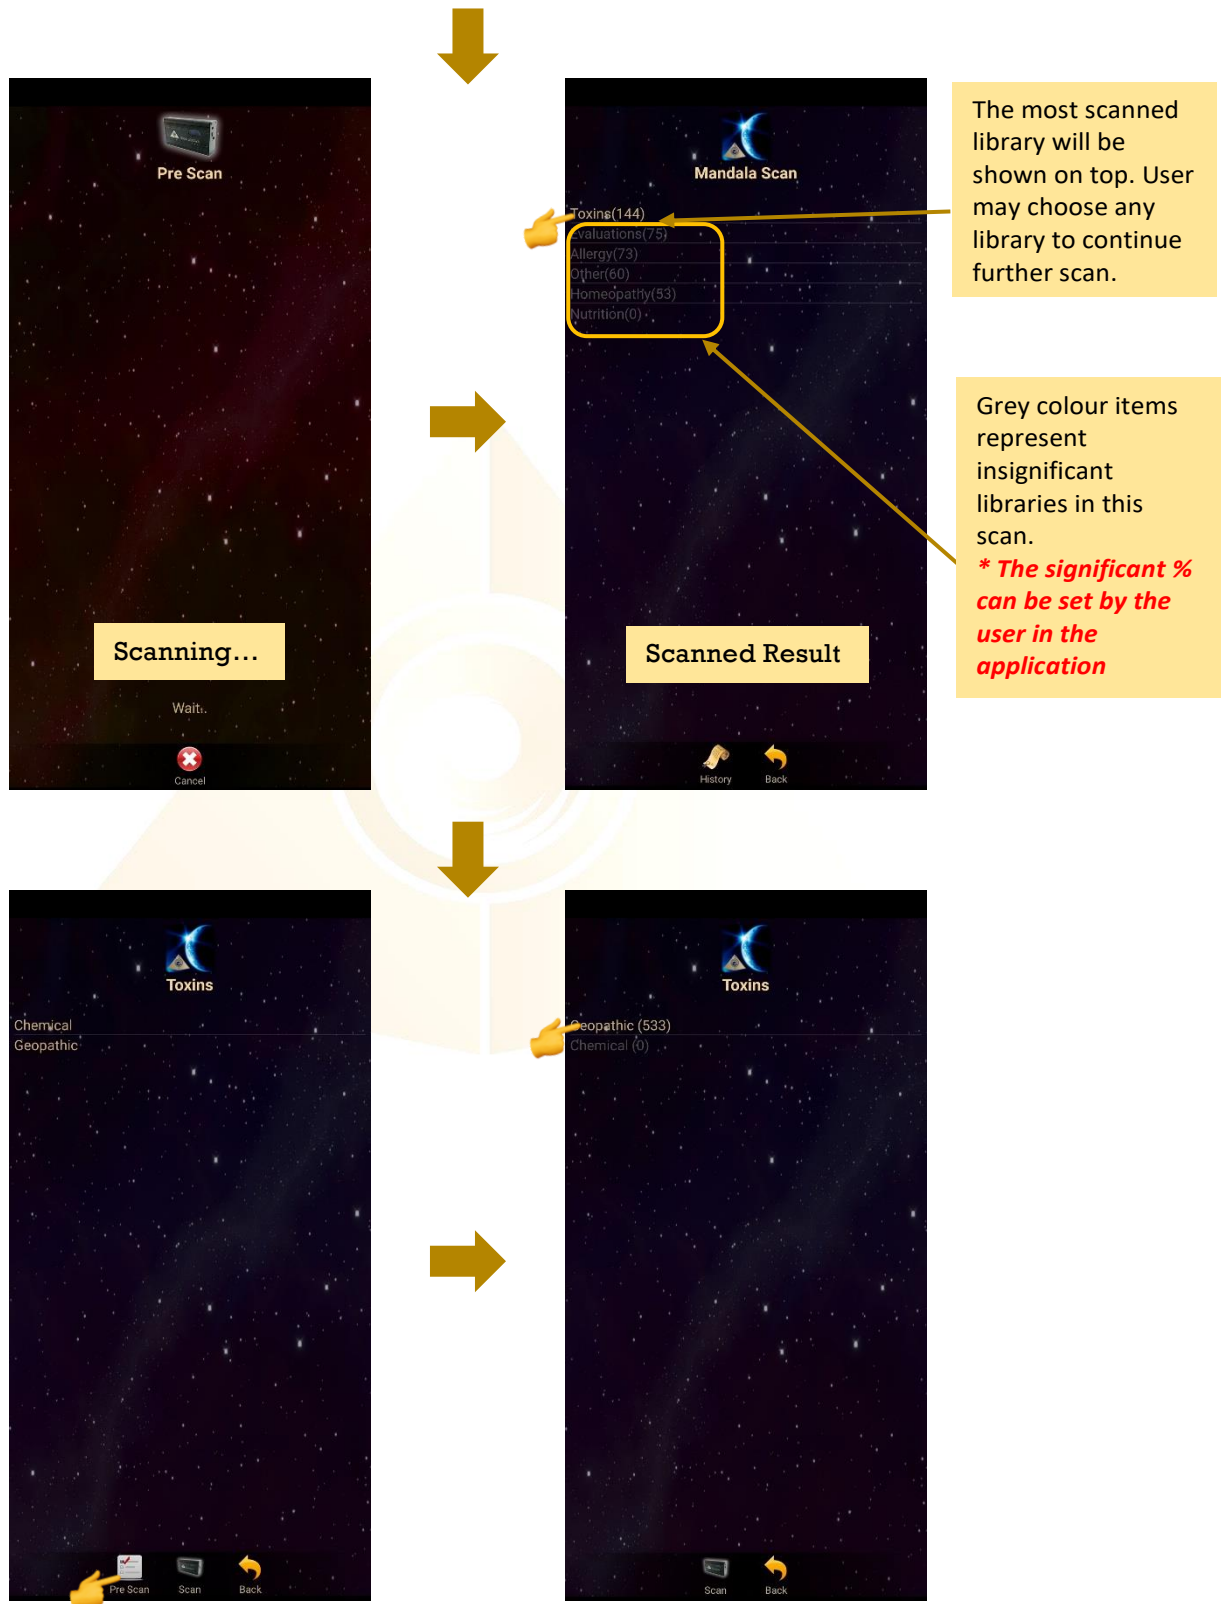

### 6.1 Scanning

#### 6.1.1 Pre Scan

This function will help user to choose the priority libraries by user body coherence.

**\* Remember to pair Mandala Dynamic Scan with tablet prior to use this function.**

If there are more than one library in a chosen library, user can play **Pre Scan** again to pick the most significant one. Then tab on the most significant library to continue the **Scan**.

### 6.1.2 Scan

User can continue the **Scan** function from **Pre Scan Results** or **Scan** directly on specific library.

For **Scan** directly on specific library, tab on the library you want to scan and tab on the scan icon at the bottom.

**Select all library to scan**

**Tick to select specific library to scan**

**Combine Scan:**  
Combine all selected libraries in one list to scan. The scan results will show in only one preset library. (Fast. For general.)

**Scan – Multiple Scan:**  
Scan all selected libraries one by one. The scan results will show in separate preset library. (take longer time. More accurate.)

### 6.1.3 Combine Scan

Select all library or specific library to scan and tab on the **Combine Scan** at the bottom.

*\* Remember to pair Mandala Dynamic Scan with tablet prior to use this function.*

**Mandala Scan: Combine Scan**
